Cell type
T cell
epithelial cell of proximal tubule
kidney loop of Henle thick ascending limb epithelial cell
kidney distal convoluted tubule epithelial cell
endothelial cell of hepatic sinusoid
kidney connecting tubule epithelial cell
macrophage
lung macrophage
renal alpha-intercalated cell
renal principal cell
kidney capillary endothelial cell
natural killer cell
pancreatic A cell
hepatocyte
B cell
Kupffer cell
parietal epithelial cell
type II pneumocyte
glomerular visceral epithelial cell
pancreatic ductal cell
